

'Healthgrams' On Skin- Flashed to Thousands

One of Nature's ways to an unhealthy skin is to do more than the skin indicates the condition of the body. And it is the passing material for the body that all the time is being taken by the body is absorbed and kept through the blood. These materials pass on the organs of the body and reflect the physical changes in the body. They are signs of strength and vitality and that can be used to the good of the body. Pray for the health and vigor of the body.

CROSSES OCEAN IN WIFE'S
TRUNK, BUT IS CAUGHT

London, March 21.—After crossing the Atlantic in his wife's trunk, Captain Roewer, a German engineer, was delivered to the British at Kirkwall and interned, according to a story forwarded by Reuters' Copenhagen correspondent.

Captain Roewer was an engineer at Kiao Chow, China. He escaped after the capture of Kiao Chow by the Japanese and made his way to New York when he and his wife sailed for Copenhagen. To escape detection the captain stayed in his wife's cabin trunk during the daytime, breathing through a ventilator and emerging from the trunk during the night. None of the passengers suspected the ruse, although it was noticed that exceptionally large meals were sent to Frau Roewer's cabin. At Kirkwall the captain left the trunk fearing he would be detected when inspectors searched the luggage, and was caught in the packing room. He was interned, but his wife was permitted to proceed, reaching Copenhagen Sunday.

LOOKING FOR WORK

Everywhere men complain about work; even boys and girls in school or business find work tedious and irksome, but it isn't the work itself so much as their own lack of physical strength that makes it hard.

Rich blood, strong lungs and healthful digestion make work pleasurable in business, in school or even house work, and if those who are easily tired—who are not sick, but weak and nervous—would just take Scott's Emulsion for a month and let its pure concentrated food create richer blood to pulsate through every artery and vascular system, the structure of healthy muscles gives you strength enough to stand and find endurance and would make you fit.

WILL EMPLOY SCOUTS TO RUN DOWN BANDIT

GENERAL PERSHING HAS THE AUTHORITY TO EMPLOY NATIVES WHO KNOW THE BANDIT'S COUNTRY.

Washington, March 21.—Villa, leader with his native followers before the American expeditionary forces in Mexico, has reached his own country in the Guerrero district where high officers of the army said tonight, he has indefinitely avoided capture. If the bandit chief makes a stand Washington is satisfied that the campaign will quietly end, but if he leaves his followers he can, naturally, withdraw and in the meantime his authority is gone. And in view of the fact that the Mexican authorities have been unable to find the missing general, the Mexican Department will likely give up the search.
